

## **Richard Anderson**

Teacher of Elementary  
and Middle School  
Language Arts and Math

# Meet Richard Anderson— West Ridge Academy Teacher of Elementary and Middle School Language Arts and Math.

Richard Anderson happens to know about a variety of cool things—English, Math, wood working, and South Korean culture. He joined the West Ridge academic team as a qualified teaching veteran of over a decade.

Richard's has always valued education and earned his Bachelor of Arts degree in English from Brigham Young University located in Provo, Utah. After graduating, Richard began his profession as a teacher and spent five years teaching abroad in South Korea. This fact alone, makes Richard a connoisseur of kimshi, a staple in Korean cuisine.

Upon returning home to Utah, Richard taught elementary grades in the public school system for eleven years before coming to West Ridge Academy.

In his free time, Richard loves to read, run marathons, and spend time in his woodshop.
