

Mentor

| | |
|--------------------|-------------------------|
| Job title: | Mentor |
| Department: | Residential |
| Reports to: | Homes Supervisor |
| Status: | Full-time |

As part of our residential program, our mentors are in direct care of our clients at all hours of the day and night. Our mentors are essential to the daily schedule by providing supervision, structure, and daily life skills. Our Mentors work in a team that emulates a family like environment with a lead who acts as the matriarch or patriarch of the home.

Responsibilities:

- Supervise students in various settings
- Observe behaviors and intervene to control unsafe behaviors as safely as possible
- Transport students to and from activities and athletic events
- Mentor clients and provide support to clinical treatment goals
- Become familiar with policy and procedure including WRA handbook
- Actively participate in all training and weekly meetings
- Provide a safe and clean environment for our students
- Attentive to nightly checks ensuring that students are accounted for and are well

Requirements:

- CPR, 1st aid certified
- Must be able to physically control out of control behaviors utilizing our certified restraint training
- Must be 21 years old
- Knowledge of Microsoft Word
- Completed at least high school diploma
