

**Kelsa Ryan**

Human Resources Manager

## Meet Kelsa Ryan— West Ridge Academy Human Resources Manager.

Kelsa's first career was in the hospitality industry where she fed thousands of people through catering and dinner services. She served Def Leppard, the Mars Family, and her personal favorite experience was catering to B.B. King (RIP) to name a few. From there, Kelsa went into the Human Resources and Document Control fields. She has come to the realization that she hates paper and loves to make technology work for a business to make everyday life easier on employees. She is expected to receive her Bachelor's in Business Administration/Human Resources in January 2021.

Outside of work, Kelsa loves to hunt, fish, go camping, play with her horses and spend time with her wife, Dawn. If she is not doing one of those things, chances are you can find her nose in a book. She is excited to be a part of the Leadership Team and is looking forward to helping WRA employees with all their needs.
