

Paul Keene

Director of Academics

Meet Paul Keene— West Ridge Academy Director of Academics.

Paul Keene is the Director of Academics at West Ridge Academy. He has earned his Bachelor of Science in Mathematics with a minor in Chemistry from the University of Utah. He has his Masters of Education degree from American Continental University. Paul has years of experience teaching Chemistry, Biology, Physical Science, and all levels of Mathematics.

Paul is a highly respected and decorated Master Sergeant with the United States Army Reserve—having served several tours of duty to the Middle East and abroad. He is happily married and the father of four children. He is an avid outdoorsman, and enjoys gardening, bicycling, racquetball, water sports and recreation of all kinds.
