Medication and
Records Specialist

Meet Kristi Measels— West Ridge Academy Medication and Records Specialist.

Kristi grew up in Dugway, Utah and has enjoyed a life of adventure, education, and athletics thanks to her super parents. She has worked at West Ridge Academy since 2011.

Kristi earned a Bachelor's Degree in Political Science from the University of Utah, and is an avid follower of University of Utah Athletics. Go Utes!

She can also tell you anything you want to know about the New York Yankees baseball and Giants football teams. Kristi will be wearing one of any of the mentioned team t-shirts on game days. Not to forget the mighty West Ridge Academy Eagles!

Before coming to West Ridge Academy, Kristi was able to work from home to be with her children. While living in Italy with her husband (her "Army man" as she says), Kristi enjoyed traveling all over Europe.

Kristi enjoys spending time with her family, watching "her" Yankees play, traveling anywhere on the planet, or simply relaxing and curling up with a good book.
