

**Alexis Giles**  
Outreach Specialist

## Meet Alexis “Lexi” Giles— West Ridge Academy Outreach Specialist.

Lexi started at West Ridge Academy in 2014 as a Live-Out on the girls’ campus. She worked nights, days, and weekends with both boys and girls here at West Ridge Academy. Lexi says that working with the students here at West Ridge Academy has been a blessing to her life. She has learned A LOT by being a mentor and is so grateful for the experience.

Working in Admissions, she now has the privilege of seeing another wonderful side of the program. Lexi loves talking to the parents about West Ridge Academy. It’s easy for her to talk about the overall program—especially as she has personally witnessed what it can do. Lexi says it best...“The changes I have seen students make here at West Ridge Academy is what keeps me loving being a part of this program.”

When she’s not at West Ridge Academy, she is usually coaching competitive cheerleading at Fusion All-Stars. She loves spending time with her family, going to concerts, checking things off her bucket list, and being an aunt.
